Multisyllabic Words Practice Pack

A bingo board, a week of practice to fill in, and a sticker chart. Print all three and work through the week.

Sound bingo

Say the word, then cover the square with a coin or a counter. Five in a row wins. Take turns with the child so they hear the sound as often as they say it.

MAKE IT EASIER OR HARDER

Too hard? Play with three rows instead of five, or let a phrase count ("my sock") rather than the word alone. Too easy? Ask for the word in a sentence before the square counts.

Practice log

One week. Five to ten minutes a day is plenty - short and daily beats long and occasional. Write what you actually did, not what you meant to do.

Five minutes counts.

My sticker chart

One sticker for every practice, however it went. The chart is a record of showing up, not a score - five minutes counts.
