

FOR HOME PRACTICE

# Voiceless TH Sound Practice Pack

Three games and trackers for Voiceless TH Sound, using this sound's own words. Say the word, cover the square. Five minutes a day beats an hour on Sunday.

# Voiceless TH Sound Practice Pack

A bingo board, a week of practice to fill in, and a sticker chart. Print all three and work through the week.

## Sound bingo

Say the word, then cover the square with a coin or a counter. Five in a row wins. Take turns with the child so they hear the sound as often as they say it.

### MAKE IT EASIER OR HARDER

Too hard? Play with three rows instead of five, or let a phrase count ("my sock") rather than the word alone. Too easy? Ask for the word in a sentence before the square counts.

## Practice log

One week. Five to ten minutes a day is plenty - short and daily beats long and occasional. Write what you actually did, not what you meant to do.

## My sticker chart

One sticker for every practice, however it went. The chart is a record of showing up, not a score - five minutes counts.
